WHO WE ARE

NeighborWorks TN creates opportunities through homeownership, affordable housing, and economic and community development to promote financial well-being and prosperity for Tennesseans.

WHAT WE DO

Preserve

Maintaining a Legacy of Housing Options

We are dedicated to shaping a brighter future for Tennessee by creating quality housing options for both purchase and rental. We're committed to building new homes while preserving and improving existing homes, strengthening neighborhoods, and ensuring families have affordable housing options for years to come.

Produce

Making Homes More Attainable

We unlock the door to quality housing by offering comprehensive support, including the construction of new single-family homes, townhomes, apartments, and condos, loan packaging, down payment assistance, and homebuyer education. We produce housing solutions for both purchase and rental, ensuring everyone has access to safe and affordable housing.

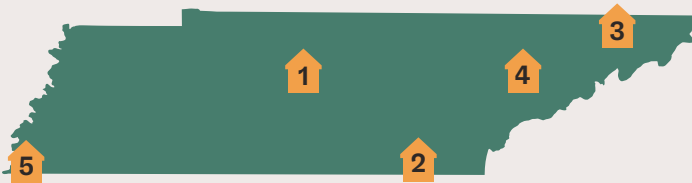

Promote

Advancing the Financial Capacity and Sustainability for Individuals, Families, and Partners

We believe financial education is crucial for creating empowered, informed individuals. Through a variety of programs, including homeownership education and financial capability courses, we equip families with the tools they need to navigate their financial journeys and avoid setbacks, such as foreclosure. By partnering with policymakers, we activate solutions that foster economic development and improve the well-being of communities across Tennessee. NeighborWorks Tennessee is committed to ensuring Tennesseans thrive by providing housing solutions for all.
